Open Road Media Teen Tween, United States, 2014. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.When a new horse has trouble adjusting, Ellie uses her power to help him After a few months in England, Ellie still misses the life she left behind when her parents died, but there is one thing in this strange new country that helps her forget her pain: Spirit, a skinny gray horse whom she loves more than life itself. With him, she discovered a secret talent-the ability to communicate with horses without speaking, and to hear their thoughts in return. But there is one horse in her uncle s stables who will not open up: a jet-black show hack named Lucifer. Ellie can tell that something is troubling this valuable new arrival, but unless he will speak to her, she doesn t know how to help. As the horse s silence continues, Ellie and Spirit must work together to save Lucifer s life. Linda Chapman grew up dreaming of being a writer and riding in the Olympics. At least one of those came true. She has now written more than two hundred books including three very popular series: My Secret Unicorn, Stardust, and Not Quite a Mermaid. Although Chapman s dreams of riding in the Olympics have been shelved (for now), she gives free rein to her horsey obsession by writing about horses whenever she is not writing about mermaids, fairies, or other magical creatures. She lives in Leicestershire, England, with her husband, three children, two dogs, and two ponies.
