## SCIENCE ADMINISTERED LIBRARY: ERROR MATRIX EQUATION

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback Pages Number: 180 Language: Chinese scientific administered library: Error matrix equation is based on error set error logic-based method of elimination to avoid wrong use matrix describes current known state. and should state (desired state) through the equations. using the obtained transformation matrix to express the object and how to reach the current status from the current known state. the book basis based on the domain description of the error object. things. space. features. value. error functions. rules and other factors. combined with decomposition. similar to increase the displacement. destruction and transformation to construct the error matrix equation. the book gives a general method for solving of the error matrix equation XA-B-type errors based on various types of transformation matrix equation solving method. the solution of the existence of solutions in the form of the matrix by solving the error equation solving logical proposition. and put forward with the error matrix equation solver solving process to get the consumer to avoid the wrong program. The book combines the intersection in the traffic management. to build a specific model. application of the above solution method to obtain the solution conclude. the error matrix method for solving. knowledge reasoning. resulting in a known state from the current set to the program should state transformation. Science administered by library: error matrix equation theory and application of the combination. available to institutions of higher learning management science and engineering. intelligent science teachers and students. enterprises and engineering and technical personnel and management decision-makers read the reference. Four Satisfaction guaranteed, or money back.
