Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Development of Standard English Speech in Outline This little book is the outcome of lectures which have been delivered for some years past to our students of Middle English. In preparing the manuscript for publication and in reading proof I have got much help of every sort from Assistant Professor C. S. Northup and Dr. B. S. Monroe. As a whole, then, the book may be said to represent Cornell aim and method. The book presupposes: (1). Students who have some knowledge of Old English, although this knowledge need not be extensive nor profound. Cook's First Book in Old English, or Briggs Anglo-Saxon Reader (the general features of the grammar, with the reading of a few of the simpler prose texts), will be quite enough. (2). A thoroughly trained teacher, one conversant with Old and Middle English prose and verse, and equally conversant with grammatical and phonological investigation.
