

Joomla! 1.6: A User's Guide: Building a Successful Joomla! Powered Website

By Barrie North

Pearson Education (US), United States, 2011. Paperback. Book Condition: New. 3rd Revised edition. 232 x 178 mm. Language: English . Brand New Book. Praise for Previous Edition of Joomla!: A User's Guide A complete guide to the powerful features of Joomla! 1.5, this book takes a holistic approach to building a Joomla!-powered website--from the CMS itself to its many extensions, search engine optimization, and even building your own tableless template. The novice reader is eased into the subject and confidently guided through the basic principles and on to the more advanced features. This guide empowers the user not only to build a professional website but to also to make it a success. --Russell Walker, CEO, Netshine Software Limited (Joomla! Development Consultancy) If you've been using or following Joomla! in the past years, you've most likely seen the name Barrie North or Joomlashack. Barrie has been a member of the community for a long time and, as such, my expectations for this book were pretty high. Besides explaining how Joomla! works from a usability point of view, there is valuable information for people who want to learn serious template building, and readers can stand out of the crowd...
