LANDBIRD COMMUNITY MONITORING AT FORT SUMTER NATIONAL MONUMENT, 2010

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 82 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. Birds are an important component of park ecosystems, and their high body temperature, rapid metabolism, and high ecological position in most food webs make them a good indicator of the effects of local and regional changes in ecosystems. Long-term trends in the community composition, relative abundance, distribution, and occurrences of breeding-bird populations provide a measure for assessing the...

Reviews

A new e book with an all new point of view. Better then never, though i am quite late in start reading this one. I am just quickly will get a satisfaction of reading a written publication.

-- **Ms. Teagan Quitzon DVM**

Comprehensive guideline! Its this kind of great go through. it had been writtern really properly and beneficial. I discovered this publication from my dad and i recommended this book to discover.
