Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

SAY HELLO: LEVEL 2

Delta Publishing, United Kingdom, 2014. Cards. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book. Say Hello Level 2 is the second level in a new two-level Kindergarten English course for four- to five-year-olds. The course is written by Judy West, who has extensive experience in both teaching and writing materials for young learners. Say Hello Level 2 is based around two engaging characters Tom and Polly together with their friends Ben the Bear and Mimi the Monkey. At the heart of the methodology lies an emphasis on child-centred activities, and the puppet of Ben the Bear plays a key part in these. Learning is introduced through a range of short and lively activities, these include listening and speaking, listening and pointing, singing and chanting, and playing games involving simple responses in English. The songs, chants and games that feature throughout the course provide opportunities for repetition, enable pupils to try out the language in a fun and secure way, and encourage interaction and movement. Each unit also offers opportunities for colouring, tracing and a craft activity, encouraging participation and manual dexterity. In Level 2 the alphabet A-Z and the numbers 1-20 are introduced throughout, while vocabulary learning is aided by a picture dictionary and board games. Say Hello Level 2 Flashcards is a boxed set of 63 A5 double-sided, full-colour flashcards featuring letters, numbers, colours, characters and vocabulary from Say Hello Level 2 on one side and words on the other. Say Hello comprises easy-to-teach material and at both levels includes a comprehensive Teacher s book with excellent support for less experienced teachers of English. There are detailed lesson by lesson guides including lesson aims, warm ups, games, extension ideas, home activity suggestions and teaching tips. Additional teacher resources include a Multi-ROM of the Audio...
