This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Jewish Publication Society of America. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 8.4in. x 5.4in. x 0.6in. Stories of hope from the Holocaust. Memory is about choice. We can choose to remember the past in ways that provoke pain and stir our anger, or we can remember in ways that help us create the kind of world in which we most want to live. Nowhere is this choice more important than in connection to the Holocaust. And never has it been more important than now, because we are the first generation that will live without the presence of those who can tell us in their own words what they saw with their own eyes. These seventy-one firsthand stories from survivors of the Holocaust teach us to choose to remember for life, for their words are not about hatred and death but about ethics, decency, and love. Although the stories are arranged to accompany the weekly Torah readings and many of the Jewish holidays, they are just as meaningful when read on their own, in any sequence. The themes journey, identity, resistance, community, refuge, and righteousness, to name but a few are universal. And the lessons about how to live more fully the life we are given shine through. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
