Filesize: 9.15 MB

Reviews

Most of these publication is the greatest publication offered. It is actually rally intriguing throgh reading period of time. You can expect to like just how the article writer create this publication. (Eddie Schuppe)

THE PILOT WHO WORE A DRESS: AND OTHER DASTARDLY LATERAL THINKING MYSTERIES

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Pilot Who Wore a Dress: And Other Dastardly Lateral Thinking Mysteries, Tom Cutler, Devised by devious genius Tom Cutler, The Pilot Who Wore a Dress is a fiendish collection of riddles, mysteries and puzzles to test and tease your brain. Here's a simple one to get you started: four bodybuilders are huddling together in the street, under a small ladies' umbrella, yet after 20 minutes not one of them has got wet. How is this possible? Separated into original brainteasers and timeless conundrums, plus locked-room head-scratchers and unsolvable crimes borrowed from the very best of detective fiction, this cunning collection will give your lateral thinking muscle a proper workout. See if you can crack the problems by tracing the clues tucked away in each mystery, without sneaking a peak at the answers at the back of the book. These puzzles are perfect for the squashed commute and after-dinner whoopla alike. They are guaranteed to entertain and delight, whether you're a wannabe Sherlock Holmes or a budding Jonathan Creek. Side effects may include bafflement, laughter, smugness, and exclamations along the lines of, 'It's so obvious once you know the answer.' Oh, and about those bone-dry bodybuilders - who said it was raining? So obvious!.
