The Value of Values

By Ed Gagnon

AUTHORHOUSE, United States, 2007. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.The Value of Values Some people are troubled by unwanted world events, others seek to understand the root causes and set remedial plans into action. In The Value of Values Ed Gagnon passes on a lifetime of learning and observing relative to the driving forces that are at the root of all actions for all people. People are the summation of their genes, education, life experiences and values learned as children. But it is our values that influence our actions most. It is our values that determine our perception of life. It is our values that guide our beliefs. Understanding and controlling how values are established, acknowledging the need to be true to them, and instilling only meaningful values in our children, is the key to a harmonious society. Join Ed in this inspiring journey into the world of values. Learn how you can make a real difference in your lives, in the lives of the people you care about and eventually in the world in which you live.
