PERSONALITY-GUIDED COGNITIVE-BEHAVIORAL THERAPY (HARDBACK)

American Psychological Association, United States, 2005. Hardback. Book Condition: New. 256 x 180 mm. Language: English . Brand New Book. Integrates cognitive-behavioral approaches with Millon s personologic model to yield an exciting new psychotherapeutic approach. Paul R. Rasmussen describes how, in personality-guided cognitive-behavior therapy, a patient s clinical condition is seen as stemming not just from distorted thinking or behavioral excesses and deficits, but also from personality attributes and situational demands. Individual chapters examine each personality type, including its characteristics,...

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
