SIMON SCHUSTER, United States, 2011. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. In the summer of 1991 I was a normal kid. I did normal things. I had friends and a mother who loved me. I was just like you. Until the day my life was stolen. For eighteen years I was a prisoner. I was an object for someone to use and abuse. For eighteen years I was not allowed to speak my own name. I became a mother and was forced to be a sister. For eighteen years I survived an impossible situation. On August 26, 2009, I took my name back. My name is Jaycee Lee Dugard. I don't think of myself as a victim. I survived. A Stolen Life is my story--in my own words, in my own way, exactly as I remember it.--The pine cone is a symbol that represents the seed of a new beginning for me. To help facilitate new beginnings, with the support of animal-assisted therapy, the J A Y C Foundation provides support and services for the timely treatment of families recovering from abduction and the aftermath of traumatic experiences--families like my own who need to learn how to heal. In addition, the J A Y C Foundation hopes to facilitate awareness in schools about the important need to care for one another. Our motto is Just Ask Yourself to . . . Care! A portion of my proceeds from this memoir will be donated to The J A Y C Foundation Inc.
