Excerpt: .no means admit, they are saved in a great degree from the responsibility of self-government, and the evils springing from their dwn perverse wills. Those who have looked most closely into life and know how great a portion of human miser is derived from these sources--the undecided and wavering purpose--producing ineffectual exertion, or indolence with its thousand attendant evils--the Wayward eonduct--intemperance or profligacy---will most appreciate this benefit. The line of a slave s duty is marked out with precision, and he has no choice but to follow it. He is saved the double difficulty, first of determining the proper course for himself, and then of summoning up the energy which will sustain him in pursuing it. If some superior power should impose on the laborious poor of any other country--this as their unalterable condition---you shall be silved from the torturing anxiety concerning your own...
