Brand New Book ***** Print on Demand *****.Excerpt from Pro Patria Et Regina: Being Poems From Nineteenth Century Writers in Great Britain and America; Issued in Aid of Her Majesty Queen Alexandra s Fund for Soldiers and Sailors The volume of Verse, now published under the title Pro Patria et Regina, originated thus. On reading the remarkable letter of her Royal Highness the Princess of Wales, now Queen of England, - written on the first day of January, 1901, and appealing for fresh contributions in aid of her Soldiers and Sailors Fund - it seemed to me that the object aimed at might be helped indirectly through Literature, as well as directly by gifts of money. Literary men can seldom subscribe largely in behalf of public charities, but they can give a portion of their work to assist such national causes as that so nobly advocated by her Royal Highness. For more than a quarter of a century I had intended to collect the poems of many friends, who have been too modest to issue them in their own name, and publish them in a small volume. It was postponed for various reasons. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
