MEDICAL PRACTICE MANAGEMENT SYSTEM

Cengage Learning, 2007. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A medical office will be more successful if it has a strategy in place that will enhance health outcomes, increase patient satisfaction, and add value to the health care product being delivered. This system will help you formulate procedures and policies to put you and your practice on a path to success. The Medical Practice Management System is a tool for you, the office administrator or medical office administration student, to begin preparing and enhancing your office's strategy for the future. By utilizing this system, you will walk through writing a business plan, setting employment standards, coordinating facility operations, and implementing HIPAA policies. Also, the Medical Practice Management System is a dynamic way to learn the policies and procedures that are used in the medical office, emphasizing the importance of having policies in place and the considerations that go into developing those policies.
