Sea Raven Press, United States, 2015. Paperback. Book Condition: New. 229 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.If you got your knowledge of American slavery from school textbooks or mainstream history books, you can be sure that most of this information is not only incorrect, but was intentionally distorted and rewritten to conceal the truth. Generously illustrated with rare 19th-Century images, this brief but impactful assemblage of little known, seldom discussed facts also contains an index, notes, and a bibliography. Learn the truth for yourself: American slavery was nothing like you were taught! And this book provides the historical proof based...
