

Strange People, Strange Country

By MR Paul Bulkley

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The knowledgeable reader is aware of the corruption that exists in Washington through dishonest politicians, vested interests, lobbyists, and a failed federal government. What the reader is not aware is the extent of the corruption that has seriously affected the reader's wallet and quality of life, has destroyed the country's economy, and has bankrupted the nation. The nation's government is claimed to be democratic serving the needs of the people; that government conducts its obligations in a honest and responsible manner; a government that conducts its foreign policy with dialogue free of aggression; a government that retains and defends the highest level of standards. Aristotle in his consideration of Ethics as it applies to legislators is concerned not only to the letter of the law but also the citizen's moral character. For legislators make the citizen's good by forming habits in them, and this is the wish of every legislator, and those who do not effect it miss the mark, and it is in this that a good constitution differs from a bad one....
