Investment in your uniqueness is therefore the best investment you can make, otherwise you could become the jack of all trade and master of none. This book covers some principles to assist you in realising the enormous potential within you. Achieving your full potential requires that you acquire the right mind set, concepts and personal attributes. There is a saying that victory does not necessarily go to the strong. In other words, strength and abilities are not in themselves sufficient for victory but your mind set and the concepts you carry are very vital. Hence the saying, As a man thinks in his heart, so he is. Your attitude more than your aptitude (abilities), will determine your altitude (achievements). This is one of the major reasons why athletes and other sportsmen acquire excellent coaches, managers and trainers to help harness their innate abilities and turn them into champions by changing their mind sets and way of thinking.
