Reviews

This type of pdf is everything and helped me searching ahead and a lot more. It normally does not expense a lot of. You wont really feel monotony at anytime of the time (that's what catalogues are for relating to should you request me).

(Zella Bradtke)

PSYCHOLOGY OF DEVELOPMENT AND HISTORY

Book Condition: New. Publisher/Verlag: Springer, Berlin | This book documents my return to a topic that has always been one of my closest interests: the systematic study of intellectual and political history. I became involved in historical studies while in high school and continued this work during the years that I spent as a metalworker in a shipyard and in a factory. Indeed, I succeeded in being admitted to the University of Hamburg only after submitting a comparative analysis of the history of early Greek and early Western philosophy to the late Professor G. Ralfs. He gave me much encouragement and remained one of my main academic sponsors during the years in Hamburg. Recently, I translated into English the manuscript that had opened the doors of the university for me, and extended it to the history of psychology. The results present the unfolding of an intellectual theme as if it were an historical dialogue. They (chaps. 10 and 11) are, perhaps, controversial achievements, but they are among my proudest. Before I began my studies in psychology and philosophy, I spent almost two years in physics and mathematics. Subsequently, I began to approach psychology with a natural-science emphasis. Even when I began to shift my attention from general experimental to developmental psychology (especially gerontology), I continued to maintain this orientation and deemphasized my historical interest. This interest did not find any resonance in the developmental research and theory of these years anyhow. | I. Theoretical Issues.- 1. The Individual and History: An Introduction.- 2. Development and History in Social Science Theories.- 3. Ecological Interpretations of Development.- 4. Nomothetic Interpretations of History.- 5. Models of Growth and Change.- II. Case Studies.- 6. Developmental Psychology and Society.- 7. The Ideological Bases of Developmental Psychology.- 8. Structure and Transformation in...
