Happy Hour Is 9 to 5

By Alexander Kjerulf

Pine Tribe. Paperback. Book Condition: New. Paperback. 180 pages. Dimensions: 9.4in. x 6.1in. x 0.6in. Hard day at the office. We should expect more from the 9 to 5, argues entrepreneur and happiness expert Alexander Kjerulf. Managers should make it a priority too: this book is packed with data that shows that happier people are more productive, more innovative, more motivated, deliver better customer service AND handle change better. Happiness at work may sound a pipe dream but achieving it is actually quite possible. First, we need to understand what it's not. It's not about high-fiving and cheerleading (although it could be for some people). It's not about eliminating all the bad stuff from our job - it's about being happy at work even though some of those bad things are present. Research across 30 countries shows that happiness at work rests on results and relationships. Happy Hour is 9 to 5 gives detailed, practical advice on building the skills and energy to improve both. Here you'll learn how to deal with everything from nightmare bosses, bullies, miserable co-workers, long-running conflicts, stifling bureaucracy and management who refuse to see anything beyond the bottom line. It's also full of inspiring real-life stories...
