Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Washington in the Lap of Rome Washington in the Lap of Rome has been written to call the attention of the American people to the great trust which has been betrayed, and to the great work which devolves upon them. It uncovers facts which will bring the blush of shame to the cheek of the real Republican and fill his soul with indignation. Fifteen thousand department clerks are under the surveillance of Rome. If it be not true, as is charged, that a private wire runs from the White House, in Washington, to the Cardinal s Palace, in Baltimore, and that every important question touching the interests of Romanism in America is placed before his eye, before it becomes a public act, it is true that the Cardinal is a factor in politics. Romanism is the dominant power in the Capitol of the United States. Lincoln, Grant, and Arthur withstood it, and suffered the consequences. The power is unseen. It is shadowy. It inhabits the air and infects it. Romanism is the malaria of the spiritual world. It stupefies the brain, deadens the heart, and sears the conscience as with a hot iron.
