Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Islands, A Coloring Book for Teens and Kids, 30 Hand-Drawn Drawings, 30 Poems and Recipes by Shelley Gilbert, Award-winning Author, Artist, is a unique, super-creative activity and thought provoking book. This book is No.2 in the Islands series. The first is Islands, A Coloring Book for Adults, 30 Drawings, 30 Poems 2001. The third Islands book is for Adults, Volume 2. Islands books are about being an individual, about being yourself. The drawings contain a great variety of space sizes to color-large, medium, small. The abstract drawings will engage a young person s own imagination because the shapes look like different things to different people and will evoke personal thoughts and emotions. The drawings have original poems that interpret them (1st -12th Grades). The poems s messages will entertain and intrigue young people to think about life. The poems contain many themes: butterflies, moons, connection, fruit, saving money, feelings, blizzards, the importance of thinking, brick walls, artists, Vivaldi, squares, trees, violence, egos. There are also 4 simple and fun recipes. REVIEWS: . .refreshing new idea, novel idea, highly creative, fun.
