Paulist Press International,U.S., United States, 2016. Paperback. Book Condition: New. 202 x 127 mm. Language: English . Brand New Book. In exploring the Divine Feminie imagined in Mary, When Mary Becomes Cosmic opens us to another way to honour her - not unlike the mystics, who have travelled along this was to the depths- and helps us to explore the richness that lies in what Jung reffered to as the Catholic Church s treasury of image and metaphor. The archetypal images found in ancient and treasured Litany or Loreto form the framework for this books, and, enriched with quotes from a variety of spiritual writers, Richo guides us through reflections on: Who is Mary? and What is the Divine Feminine? Finally in the appendix, A Retreat with Mary, the author encourages prayer with suggestions for various ways of praying with music, art, movement, silence, etc. as well as being with the image of Mary.
